2003 Event Program

- Aug. 25th Early arrival, set up and registration can be done any time after Noon.
- Aug. 26th A full day of “hands on” classes have been added to this year’s event because of the overwhelming requests and Attendee’s Survey feedback. **Pre-registration is required for these classes!** You will receive a list of personal tools and supplies, if any, that may be needed for your class topic upon pre-registration confirmation; the Presenters will provide all other instructional materials needed for their respective class.
- 8:00 to 8:30 Registration, sign in and opening comments
- 8:30 to 5:00 **Intermediate Engraving:** A “hands on” class designed for those who would like to improve on their current skills. Topics including engraving styles, pattern transfer, design and execution will be directed towards a specific project you want to bring this class. This class assumes that you have taken previous classes or have previous experience and would like to work in a “coached” working environment.
Presenter: Rich Pogue Fee: \$35 Class Size: 6
- 8:30 to 5:00 **Accouterments:** A “hands on” class that combines planishing copper / brass and working with antler or wood to create a period correct salt horn.
Presenter: Dave Rase Fee: \$35 Class Size: 6
- 8:30 to 5:00 **Wire Inlay:** A “hands on” class for those that want to learn how to do inlay and make your own tools to achieve great wire inlay on your selected project.
Presenter: Dave Weston Fee: \$35 Class size: 6
- Aug. 27th Friday is designed to be a learning experience using either a “demonstration” or “hands on” format depending on the topic and presenter.
- 8:00 to 8:30 Registration and opening comments
- 8:30 to 12:00 Morning Session - Special interest topics and demonstrations:
- Decorative carving: layout and design – Rich Pogue
 - Forging knife blades – Steve Skillman

- Current projects – pitfalls and remedies – Open Panel
 - Lessons learned & skills sharing from builders of all levels
 - Open “Question & Answer” discussion on Event topics
- 12:30 Closing remarks and clean up.

Special Note: We are providing this advanced notification and preliminary program of events by popular request. Our intent is to provide you every opportunity to make appropriate plans to participate in this years exciting event. This year’s program was primarily developed around the requests and feedback provided through last year’s Attendee’s Survey. We look forward to having you join us!

4th Annual Gunmaker’s Shoot

Bring a rifle, fowler or trade gun that you built, along with your appropriate shooting gear and participate in this very special event. Lloyd Moler, last year’s winner, will be designing the target for this years match. So come prepared to try your luck at his “Mystery” target.

Featured “Gunmaker” Award

A special award honoring a deserving maker in recognition of his demonstrated skills and abilities in historical gun making, his willingness to mentor others to develop their skills, his contributions to the Guild, and the advancement of historical gun making in the Northwest.
